

BROOKLYN FRIENDS SCHOOL

Quaker Self Study Kick-Off

All BFS parents are encouraged to read
A Quaker Book of Wisdom by Robert Lawrence Smith.

Not only does the text provide a basic foundation of Quakerism and its principles, but it also launches our year-long reflection of BFS's Quaker life and expression.

A Quaker Book of Wisdom is available at most major book vendors, including Amazon, Barnes and Noble, and Borders. Please obtain your copy now to get started!

*****Stay tuned for information about related book club discussions.*****
