

Permission to Travel Home from School Trips

The Brooklyn Friends Upper School takes students on a variety of day trips in the city. Students frequently ask to travel home directly from a trip, rather than return to school and then travel home. Indicate whether you give or do not give permission for your child to travel directly home from a school trip.

Please note that this permission covers your child for his or her entire time he or she is enrolled in the Brooklyn Friends Upper School.

Name of Student: _____ Year of Graduation _____
